#### HIGHLY RESISTANT

- Coated on one side for reinforced water proofing and excellent dimensional stability.
- **UNIQUE:** solution-dyed acrylic fibres for exceptional durability and long lasting colours despite sun exposure.
- Textured fibres for a soft touch, genuine textile feel

#### ABSOLUTELY SAFE

- Meets the official M1 flame retardant standards
- 100% solution-dyed acrylic fibres treated to resist fire and UV rays.

#### GUARANTEED COLOUR FASTNESS

- Solution-dyed.

*The ideal outdoor awning fabric for cafes, restaurants, hotels and other public venues*
