DESIGN + PERFORMANCE™

DESIGN + PERFORMANCE

The Upholstery Fabric Collection is inspired by the founding values of the Sunbrella® brand: **design + performance**. It takes an entire team to inspire, design and produce these textiles. This collection of 226 individual products comes in a rich array of colours, styles and textures. From how it looks to the way it feels, it brings out the best in your furniture choices.

Our fabrics are woven exclusively with solution-dyed acrylic fibres to guarantee UV colour-fastness. They are protected with an anti-stain finish and are washable, making them incredibly easy to maintain. Explore the possibilities of Sunbrella® fabrics through 12 ranges of harmonious colours and create your own personal world.

*Denna kollektion möbeltyger är inspirerad av de grundläggande värdena för varumärket Sunbrella®: **design + performance**. Det krävs ett omfattande team för att inspirera, utveckla och tillverka dessa textiler. Kollektionen består av 226 enskilda produkter i ett rikt urval av färger, stilar och ytmönster som i allt från det visuella intrycket till den taktila känslan lyfter den fram det bästa i dina inredningsval.*

Alla våra tyger är vävda i spinnfärgad akrylfiber för en garanterad UV-tålighet och färgbeständighet. De är skyddade med en fläckavvisande ytbehandling och kan tvättas i maskin, vilket gör dem mycket lättskötta. Utforska Sunbrella-tygernas möjligheter med hjälp av kollektionens 12 serier i harmoniserande färger, och skapa din egen, personliga värld.

LIGHT BLUE

LIGHT BLUE

Light blue hues create a gentle, poetic world. In this collection, thick textures combine with the warmth and character of this so-called 'cold' colour range.

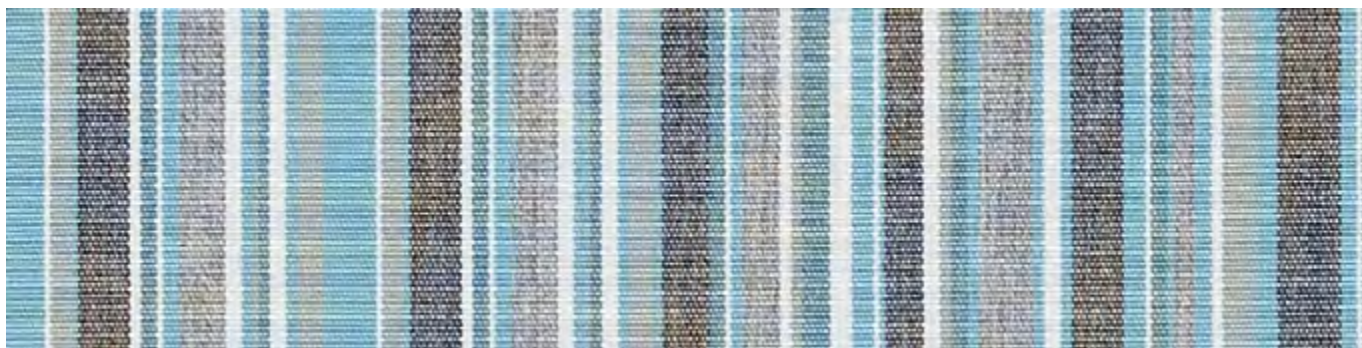

Ljusblå toner skapar en mjuk, poetisk atmosfär. Den här serien kombinerar tjocka ytmönster med värmen och karaktären hos den traditionellt sett "kalla" färgskalan.

GREEN BLUE

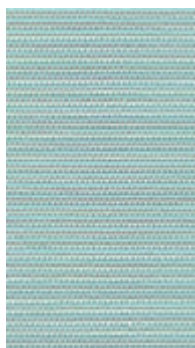

GREEN BLUE

Blues with a hint of green bring out the distinctive character in Sunbrella's fabrics. This selection plays with light effects, geometric shapes and textures to achieve a strong visual impact.

Blå nyanser med en antydning av grönt lyfter fram Sunbrella-tygernas distinkta karaktär. Detta urval spelar med ljuseffekter, geometriska former och ytmönster för att skapa ett starkt visuellt intryck.
